Hi, I guess this is one of those posts that could be under Religion or Conspiracy topics, they link closely in my mind after 30 plus years of research concerning Biblical prophecy and matters of conspiracy. I offer the following for your consideration. Sure you don't have to believe it all, but why not at least be aware of possible scenarios?, it may just help you from being deceived in the future.

P.T.:

Ever wonder why all the massive efforts to corrupt and discredit belief in God and Jesus Christ, down through the ages right up to today? Why was the Roman Catholic Church infiltrated and corrupt from its creation? Why have other denominations been infiltrated and corrupted? Why have so many versions of the Bible been altered /distorted? Why was the Bible suppressed by so-called leaders of political religion? Why do Hitlers Nazi socialism and New Age beliefs have so much in common? Evil forces of darkness have long sought to cast a hopeless shadow of doubt over the minds and hearts of humanity. Do you really believe Bohemian Grove is just a Camp Howdy for old cronies of the New World Order? Do you actually suppose the N. W.O., Vera-chip and the “mark of the beast” have nothing in common?

Put enough of the pieces to the puzzle together and you might begin to see the big picture.
Read the following suppressed historic record and see how it relates to these times :
